

3rd Edition Joint Meeting SFMM - BSHAM

Call for Abstracts – Young Researchers

Dear Colleagues,

We are pleased to announce the 3rd Edition of our **Joint Meeting SFMM-BSHAM**, which will take place in **Liège, Belgium, on November 16–17, 2026**.

This joint meeting brings together the **Belgian Society for Human and Animal Mycology (BSHAM)** and the **French Society of Medical Mycology (SFMM)** to foster scientific exchange and collaboration between the **Belgian and French mycology communities**.

As part of this event, we are pleased to launch a **Call for Abstracts dedicated to Young Researchers**. We warmly encourage **early-career researchers (PhD and postdoctoral fellows) and clinicians from Belgium and France** to submit **abstracts summarizing their work in any field of mycology**. Selected abstracts will be presented as **short oral communications (15 minutes)** during the meeting. There will be no poster presentation.

Abstract Submission Details :

- **Deadline abstract submission : 30/05/2026**
- **Submission Link/Email: micromed@uliege.be**
- **Guidelines abstract submission: in English with maximum 500 words**

All submissions will undergo **peer review**, and selected abstracts will be included in the **Young Researchers Session** of the meeting on the **16th November**.

This **Joint Meeting** will provide a unique opportunity to present your work to a **multidisciplinary audience of clinicians, microbiologists, and researchers from Belgium and France**, and to strengthen scientific collaborations in the field of mycology.

If you have any questions, please feel free to contact us at **micromed@uliege.be**.

We look forward to receiving your contributions.

Warm regards,

Marie-Pierre Hayette
President of the BSHAM

Guillaume Desoubeaux
President of the SFMM
